Library Homework Center

(Enter inside Library)

Lafayette Library and Learning Center

3491 Mt. Diablo Blvd, Lafayette

DIY Social Media Visuals

Step by step! Free tools and tips for creating images to share on different social media platforms and your website/blog. 6-7:30pm, Library Homework Center. Speaker: Robin S Fox, Digital Strategist

Online Security Best Practices for Local Businesses

As a local business, you have a lot to manage online. At this open-forum class with Neighborhood Computers, we will discuss how to structure your web and technical identities in a secure way for today's world and learn better practices for your business. 6-7:30pm, Library Homework Center. Speaker: Grant Stubblefield, Neighborhood Computers, ncsupport.com

Workshops are FREE but space is limited. Reservations recommended!
